**M'Dor L'Dor Exhibit**

February 24th - March 24th

The exhibition will be on display at the JCC and  
open to the public during regular building hours

The exhibition is based upon the Jewish concept of **M'Dor L'Dor**.

The Hebrew term means '**from generation to generation**' and is a central Jewish theme that encompasses the religious, ritual lore and cultural traditions passed down through the ages that enrich our lives and our understanding of one another.

Local Artists have created a new work celebrating generational heritage and cultural diversity. Each work will incorporate all or part of a physical door - a play on the Hebrew words **M'Dor L'Dor** used in the title of this exhibition.
